

In the Supreme Court of the State of Alaska

Travis Buntin,
Plaintiff,

v.

**Schlumberger Technology
Corporation,**
Defendant.

Supreme Court No. **S-17309/S-17519**

Order Rejecting Defendant's Brief

Date of Order: **12/9/2019**

U.S. District Court No. **3:16-cv-00073-TMB**

Defendant's brief and excerpt of record were filed on **11/27/2019**. The brief is rejected for the following reasons specified by the law clerk who reviewed the brief and excerpt for technical compliance with Appellate Rules 210 and 212.

The brief lacks adequate citations to legal authority. For example, throughout the brief cases are referenced by name in the text, but are not accompanied by a full or short citation. In these instances, the brief incorrectly uses *Id.* because the immediately preceding authority is not the authority being referenced. See pages 13, 14, and 16. The brief also incorrectly uses the *supra* signal to refer to cases, and does not provide appropriate citations for those cases. See pages 13, 14, 16, and 18.

The original and one copy of the corrected brief, and the excerpt, with proof of service, are due on or before **12/23/2019**.

Entered under Appellate Rule 102(f).

Clerk of the Appellate Courts
